

Did You Know?

Although Whites make up 68.3% of the U.S. population, non-Whites commit most of the crime. In 1995, the population was 12.8% Black, and all non-Whites together comprised 31.7% of the total. And yet...

- Non-Whites used 61.2% of all money spent on social welfare.
- Blacks had twice the school dropout rate, as compared with Whites.
- Prison inmates were 76% non-White, overall.
- Blacks were 4.4 times more likely to commit rape, 7.9 times more likely to commit murder, 9.6 times more likely to commit armed robbery, and 3.9 times more likely to commit aggravated assault, as compared with Whites.

Take a stand against the statistics. Join the National Alliance, America's foremost patriotic organization.
